| Participants (Class/Count) | Class SY and TY (60) |
| Activity Summary | |
| <p>Placement Guidance and Experience sharing</p> <p>The choice of speakers, including Pratik Khandare, Srujan Hukerikar, and Shreyash Mohite, brought a diverse range of expertise to the webinar. Their backgrounds added depth to the discussions on placement guidance. The webinar lived up to its promise of being informative. Attendees gained valuable insights, tips, and strategies, making it a worthwhile experience for those seeking guidance in their career transition. The event promotion was attention-grabbing with emojis and concise details. The call to action was clear, urging potential participants not to miss the opportunity. Choosing an offline format allowed for a more intimate and interactive experience. It created an environment conducive to networking and direct engagement with the speakers. While the date, time, and speakers were clearly communicated, more information about the specific topics the speakers would cover could have been included. This would have helped participants tailor their expectations. Encouraging more audience interaction, perhaps through Q&A sessions or live polls, could enhance participant engagement and make the event more dynamic.</p> | |

Providing post-event resources, such as speaker presentations or recommended reading materials, would add lasting value for participants looking to delve deeper into the topics discussed. Overall, "Dive in Placement World Webinar" succeeded in delivering valuable content and fostering engagement. With a few enhancements, future editions have the potential to become even more impactful and cater to a wider audience.
