Activity Summary

On May 14th, at 11 AM, the IEEE Student Branch organized a contest named "Project Mania" at our college, exclusively for final-year students. The event allowed participants to present their projects through poster presentations or by showcasing actual real-time hardware, providing a platform for students to demonstrate their technical prowess and innovative solutions.

The judging panel for this prestigious contest included Prof. S.C. Sagare, V.V. Kheradkar, Prof. K.S. Kadam Prof. More, Prof. T.I. Bagaban. These esteemed judges brought their extensive knowledge and expertise to the event, evaluating each project meticulously. Their feedback and insights were invaluable, helping to enhance the students' understanding and approach towards their projects.

The prize distribution ceremony was a highlight of the event, with prizes being awarded by Prof. (Dr.) D.V. Kodavade, Dean Prof. (Dr.) S.K. Shirgave. The presence of these distinguished dignitaries added a layer of prestige to the ceremony, motivating the participants and recognizing their hard work and innovation. The winners were celebrated for their outstanding projects, which demonstrated significant technical skill and creativity.

The event concluded with a heartfelt thank you note from Miss Prachi Naik, the President of the IEEE Student Branch. She expressed her deep gratitude to all the participants for their dedication and brilliant ideas, the judges for their invaluable contributions and time, and the organizers for their hard work and commitment to making the event a resounding success. Her words encapsulated the spirit of the event, emphasizing the importance of collaboration, innovation, and academic excellence.
